Vermont Federation of Nurses & Health Professionals

We, the undersigned Nurses of the University of Vermont Medical Center, support a fair contract agreement that includes:

- Safe staffing in all work areas with appropriate nurse-patient ratios and trained staff in order to provide the highest quality of care.
- Respectful wages and benefits that recognize the many contributions and critical role nurses fulfill.
- Improvements to workplace safety, including addressing workplace violence, bullying, harassment and physical work demands.
- Furthering continuing education opportunities and tuition reimbursement to support our professional growth.
